

## New vaccination site in Laval

*Mass vaccination campaign against COVID-19*

**Laval, April 29, 2021** – The Centre intégré de santé et de services sociaux (CISSS) de Laval is opening today a new mass vaccination centre (MVC) at Place Sports Experts, 4855 Rue Louis-B.-Mayer in Fabreville. Operating hours will be from 8 a.m. to 8 p.m.

### Facts about this vaccination centre

- The centre has 44 vaccinator chairs – five times the capacity of existing centres. It will become the largest mass vaccination centre in Laval.
- A total of 5000 to 6000 people will be able to be vaccinated there daily.
- Overall, Laval will be able to vaccinate up to 9000 people every day in its four MVC.
- More than 70 employees will be on site every shift. This means 400 employees will be working at the centre 7 days a week.
- The centre was made possible thanks to the contribution of [Sports Experts](#).

Appointments can be booked online at [Quebec.ca/vaccinCOVID](http://Quebec.ca/vaccinCOVID) or by phone at 1 877 644-4545.

### Location of other mass vaccination centres in Laval

- In the west, the Méga Centre Notre-Dame, off Autoroute 13
- In the centre, Quartier Laval, near place Bell and Cégep Montmorency
- In the east, SmartCentres Laval Est, at the corner of Papineau Autoroute and the 440

### Let's continue to protect ourselves!

As a reminder, the vaccination campaign does not mean the end of health measures. It will take many months to immunize a sufficiently large number of people. We need to keep protecting ourselves by following physical distancing measures, wearing a mask or face covering and washing our hands often.

### About the CISSS de Laval

The CISSS de Laval is fully dedicated to learning, innovating and excelling in order to offer residents of Laval and surrounding areas a full range of integrated, quality health and social services accessible to all. Its human capital includes over 10,000 employees and doctors working in 32 facilities, including the Hôpital de la Cité- de-la-Santé, the Jewish Rehabilitation Hospital, the Centre de services ambulatoires de Laval, six CLSCs, five residential centres, the Centre de protection de l'enfance et de la jeunesse de Laval, the Centre de réadaptation en dépendance de Laval and the Centre de réadaptation en déficience intellectuelle et troubles envahissants du développement de Laval. The CISSS de Laval is a research and teaching facility affiliated to Université de Montréal and McGill University. For more information about the CISSS de Laval and the services offered in its facilities, go to [www.lavalensante.com](http://www.lavalensante.com).
