

Walk-in vaccination day in Laval

Mass vaccination campaign against COVID-19

Laval, May 20, 2021 – The Centre intégré de santé et de services sociaux (CISSS) de Laval would like to announce that **a walk-in vaccination day for the first dose of the COVID-19 vaccine** will take place on Sunday, May 23, 2021, at the Place Sports Experts mass vaccination centre. The site will be open for walk-in vaccination from 8:30 a.m. to 8:00 p.m.

Walk-in vaccination – Important information

- The vaccine will be offered to people 16 years of age and over who meet the criteria issued by the Ministère de la Santé et des Services sociaux.
- More than 1,200 will be available for the public.
- The Pfizer vaccine will be administered on this day.
- In case of a high turnout and to avoid long wait times, a coupon with a specific time slot might be provided.
- The Place Sports Experts mass vaccination centre is located at 4855 Rue Louis-B.-Mayer in Fabreville.

Appointments can also be booked online at [Québec.ca/vaccinCOVID](https://quebec.ca/vaccinCOVID) or by phone at 1 877 644-4545.

Let's continue to protect ourselves!

As a reminder, the vaccination campaign does not mean the end of health measures. It will take many months to immunize a sufficiently large number of people. We need to keep protecting ourselves by following physical distancing measures, wearing a mask or face covering and washing our hands often.

About the CISSS de Laval

The CISSS de Laval is fully dedicated to learning, innovating and excelling in order to offer residents of Laval and surrounding areas a full range of integrated, quality health and social services accessible to all. Its human capital includes over 10,000 employees and doctors working in 32 facilities, including the Hôpital de la Cité- de-la-Santé, the Jewish Rehabilitation Hospital, the Centre de services ambulatoires de Laval, six CLSCs, five residential centres, the Centre de protection de l'enfance et de la jeunesse de Laval, the Centre de réadaptation en dépendance de Laval and the Centre de réadaptation en déficience intellectuelle et troubles envahissants du développement de Laval. The CISSS de Laval is a research and teaching facility affiliated to Université de Montréal and McGill University. For more information about the CISSS de Laval and the services offered in its facilities, go to www.lavalensante.com.
